CONGRATULATIONS!

I'd like to congratulate you for achieving success in the Americas Property & Hotel Awards 2024-2025.

The objective of these awards is to recognise excellence and maintain high standards in the property industry worldwide.

The official presentation of the Awards will be at the JW Marriott Los Angeles L.A. Live USA on 26 September 2024. You'll discover the level of your award – Award Winner or Five Star – at a business networking event and celebration.

Following these announcements, you will be entitled to display your personalised logo ribbon with pride on your website and throughout your marketing and publicity material.

The highest scoring five-star winners from each category of these awards will be automatically put forward for re-judging against the five-star winners in other regions of the world – Asia Pacific, Europe, UK, Africa and Arabia.

Following this re-assessment, the International winners in each category will be identified as the 'World's Best'. These winners will be announced at the end of the year.

Please accept my congratulations to your whole team for the splendid efforts made in order to achieve this success. Read on to find out what happens now...
